ACCREDITATION

Advocate Health Care (OH-368, 10/1/2019) is an approved provider of continuing nursing education by the Ohio Nurses Association (OBN-001-91), an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation.

CONTINUING EDUCATION

Nursing contact hours will be awarded upon successful completion of this program. Criteria for successful completion include attendance of the entire event and completion of an evaluation following the program.

DESIRED OUTCOMES

Describe the importance and process for implementing EBP and research in nursing practice. Apply the findings of at least one research or EBP to nursing practice.

CONFLICT OF INTEREST

It is the policy of Advocate Health Care to ensure balance, independence, objectivity and scientific rigor in all its educational programs. All faculty participating in this program are expected to disclose to the audience any significant financial interest or other relationship he/she has with any manufacturer(s) of any commercial product(s) discussed in the educational presentation. Michelle Nellett, APN, MSN, CCRN, CCNS is employed by Advocate Health Care and has disclosed that her research project received funding from Janssen Pharmaceuticals, Inc.. Mary Kay Falson, MSN is employed by Advocate Health Care and has disclosed that funding for her study was provided by Abbott Nutrition. Both presentations have been reviewed and determined to be free of bias.

TOMORROW STARTS TODAY.

6th Annual Advocate Health Care Nursing Research Symposium Breakout Sessions

There are four podium presentations during each breakout session. Seating is on a first-come, first-served basis. Once room capacity is met, sessions will be closed. Fire code regulations do not allow attendees to sit on the floor or stand in the back of the room, and chairs cannot be added.
